Spanlsh

Web Developer with a solid foundation in modern web technologies and a passion for creating user-friendly, responsive websites and applications. Currently a student at ETIC Algarve, eager to apply my knowledge in a professional setting and contribute to innovative projects. I have experience working in various areas of the tech world, leveraging my web development skills to enhance and streamline operations. Known for my problem-solving abilities, attention to detail, and commitment to continuous learning. Seeking an entry-level position in the tech industry to kickstart my career and grow alongside a dynamic team.
